Grove Park needs your support!

The Grove Park neighborhood of Northwest Atlanta is currently facing a number of significant challenges, including high poverty and unemployment rates, a lack of viable healthcare options, and development pressures that threaten to displace longtime residents. Join **SouthState Bank** and the **Grove Park Foundation** as we look to improve health and wellbeing for the families living in Grove Park today.

Funds raised from the **Grove Park Community 5K** benefit the Grove Park Foundation and a community fund supporting additional partners. This year's course allows participants to experience historic Grove Park firsthand – while getting to know some of the residents who make it such a special and important part of Atlanta.
