

Direct Deposit Form

Conveniently Manage Your Everyday Financial Transactions

Direct deposit is a free service that automatically deposits your paycheck, or any recurring income, into your SouthState checking or savings account. Instead of making time to go to the bank to deposit your paycheck, your funds will be available automatically, and there's no worries of losing your check. Same-day access to your money means not waiting for your deposit to clear into your account.

NOTE: Your employer may need you to complete a separate form or provide a voided check to process your direct deposit request.
